**"The Future of Satellite Signals for Navigation"**

*Presented by Lonnie Sears III, R.L.S.*

An information packed PowerPoint presentation that will cover:

- Latest news about the Galileo, Glonass, Compass, and Navstar GPS Constellations
- Effects on surveying and mapping communities.

This meeting will give everyone a chance to check out eGPS Solutions' new office spaces and meet the new employees Wes Hand, Sales and Support Specialist, and Martha Vaughn, Admin/Inside Sales. Everyone will also be able to meet the IT staff.

Please RSVP to this e-mail or to [emarketing@egps.net](mailto:emarketing@egps.net) a list of all attendees from your firm.

Please park up front and enter through the eGPS door. Our offices are upstairs. For directions to our office log onto: <http://www.egps.net/contactus.htm>
