

“Celebrating 20 Years

in Supporting the Future of Our Profession”

Tampa Bay Survey & Mapping Scholarship Fund 20th Annual Golf Tournament

1990 ~2009

May 18 2009

To All Sponsors

On behalf of the Tampa Bay Survey and Mapping Scholarship Committee I would like to extend sincere thanks for your support of the 20TH Annual Golf Tournament held April 18.

The event was a great success and this must be attributed to your support and that of all who assisted on the day. We all realize that the present economy is hurting our profession but the turn out for the golf event ensures that those who choose a career in the profession have your full support. The estimated profit made from the event was approximately \$ 6000 and all of this goes to the Scholarship Fund.

At present we have committed funds to seven students and I am certain they are grateful to those supporting this event.

We look forward to your continued participation in our Scholarship Fund events.

Yours Truly

Bob Weston , Tournament Chair
