

HOW TO REGISTER IN LANDSTAR 7

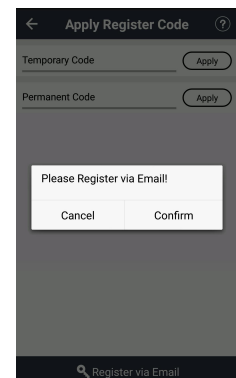

Enter the **Config** interface and click **About**.

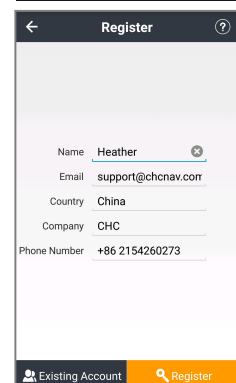

Users will see register status: Unregistered, click **Unregistered**.

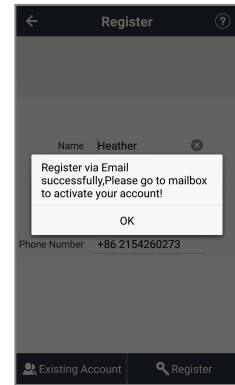

Then users will see a pop-up window: "Please Register via Email!", click **Confirm**.

Input name, email, country, company and phone number, then click **Register** to submit application. Please input your true email address, cause we will send "Account activation" mail to this email address.

When users submit application successfully, it will prompt "Register via Email successfully, please go to mail box to activate your account!". Click **OK**.

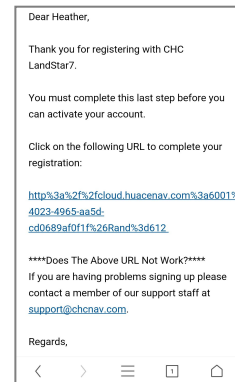

Go to mail box, and users will see "Account activation" mail send by CHCNAV. Please click the URL to activate your account.

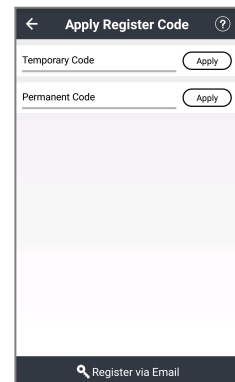

If users don't receive "Account activation" email:

- (1) Please check if the email address is correct, users can go back and re-enter the email.
- (2) Please check the trash box of email.

If users still don't receive "Account activation" email, please try to re-register the email account in LandStar 7.

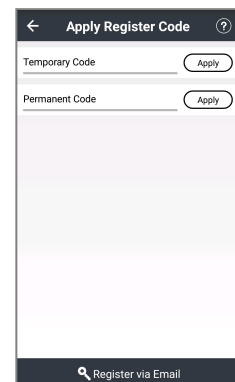

After activation of mail account, users can go to the interface: Apply Register Code in LandStar 7.

1. Temporary Usage
